Math can be a helpful bridge for English language learners (ELLs) that have studied math in their home countries or in other schools. Nevertheless, some students will have limited math experience, and all ELLs will need practice mastering the language of math and learning how to understand word problems and use language in math class for tasks such as explaining their answers.

[The Customs Service office responsible for a seizure was allowed to auction the opium off to local merchants and to keep the proceeds. This provided the same kind of incentive (and potential for abuse) as modern rules allowing police departments to keep vehicles used for transporting illegal narcotics.

Big business means big laughs in this delightfully clever lampoon of life on the corporate ladder. A tune-filled comic gem that took Broadway by storm, winning both the Tony Award for Best Musical and a Pulitzer Prize, How to Succeed in Business without Really Trying boasts an exhilarating score by Frank Loesser, including "I Believe in
You," "Brotherhood of Man" and "The Company Way."
