There’s support available to help you recover at work. The NSW Compulsory Third Party (CTP) scheme focuses on supporting people to
get back to their normal activities, including work, after a motor accident injury.

**I'm a worker recovering at work - SIRA**
What is it? The certificate of capacity is used by the insurer to make decisions about a worker's capacity for work and their entitlement to compensation. It will help the insurer, the worker and their employer develop an injury management plan concerning the treatment, rehabilitation and retraining required (where appropriate) for a successful recovery at/return to work outcome for the worker.

**Certificate of fitness / certificate of capacity - SIRA**

MRI Most MRI scans conducted at Melbourne Radiology Clinic are not reimbursed by the government. Patients not meeting the criteria outlined above (see “Bulk-Billing” section) are unable to have their MRI expenses claimed from Medicare or any private health fund, so patients are liable for the entire expense of the MRI examination.
